

Possa Bill Song

Possa Bill can help you be the best that you can be
Possa Bill can help you see the things you cannot see
With practice and patience, a little helping hand
You can find your happy place to be the best you can

Possa Bill Possa Bill we love you Possa Bill
Possa Bill Possa Bill Lots of things are possible!

Possa Bill loves to always give new things a try
He knows to be your very best you have to set your mind
With practice and patience, and lots of self belief
Possa Bill can help you be the best that you can be
