

FOCUS SONG

ALRIGHT EVERYONE IT'S TIME TO FOCUS

I can focus, I can focus,
I can focus and I know it
I can focus, I can focus,
I can focus in the moment.

I can focus when I'm LISTENING ,
I can focus when I SEE
I can focus when I'm LEARNING
1-2-3!

I can focus, I can focus
I can focus and I know it
I can focus, I can focus,
I can focus in the moment.

I can focus when I'm LISTENING ,
I can focus when I SEE
I can focus when I want to
Just watch me

I can focus, I can focus
I can focus and I know it
I can focus, I can focus,
I can focus in the moment

I can focus, I can focus
I can focus and I know it
I can focus, I can focus
YES I can!
